Password: griffith

- Author and illustrator videos, book guides, book lists, audio clips and web links.

Google Apps & eAccess = Electronic Storage

- *Google Apps for Education* accounts require a signed permission form available from your school library.
- *eAccess* is an electronic storage space for school projects (up to 300 megabytes total) accessible from any Internet-connected computer. Login information is available from your school library staff.

2015-2016

Online Library Resources

- Easily find **quality, reliable, & accurate** information for research and homework help.
- Most passwords provided here are only needed for use outside our schools (at home or the public library).
- Questions? Your school library staff can help you.

Where do I find these resources?

1. Go to: <http://www.beaverton.k12.or.us>
2. Click on the **Schools** tab along the top.
3. Click on **Library Resources**.
4. Click on your school name.
5. Click on the type of resource you want to use.

Destiny Library Catalog

Use Destiny to find books, websites & eBooks. Log in to check your account, place holds or write book reviews.
